### October 30 to Bring Formal Opening of Woman's Club.

The beautiful home of the Woman's Club, a credit not only to the town, but also to the State, has been completed, and its formal opening is announced for the evening of October thirtieth, the Matznaner engagement at the College on the thirty-first, preventing the selection of Halloween. However, the near approach of this Festival will cause a borrowing of the gaiety it inspires, and of the quaint conceits then in favor.

Rarely does one see a building so admirably suited to club purposes, so spacious, and so artistic. The walls throughout are in a soft shade of light tan, with just a suggestion of rose-color, the ceilings, cream, the woodwork, old ivory. One enters by double doors, with fan-shaped transoms, a long hall with lovely old mahogany staircase. To the left, is the Assembly Room, with a broad archway spanning its eastern end; to the right, the Tea Room, with its striking decorative scheme wherein old ivory, black and Chinese blue are mingled. Opening upon a cross hall, are the committee room with entrance to kitchen. The tea room concession has been granted to Mrs. Frank Couchman, the hostess of the club will be Mrs. Ruth Roubush White, both of whom are acquisitions, and will direct most capably the work they have undertaken. Upstairs, are apartments, modern and convenient, transforming touch, will be greatly beautified during the next few months. A fountain, encircled by miniature bay trees and pyramidal box, has already been installed.

Success should certainly crown the organization from its beginning. It lends itself to many calls of social life and comes with opportunities along varied and interesting lines.

### Mrs. Ellzey Pope Entertains.
